Subject: Unfair club money

Stacy:

i am sending this email since you asked me to do this when i called you at home tonight i just want you to know that yesterday i stopped by your office a bunch of times and you were never around so that's why i called you. your secretary told me that you were working on the club budget for next year, and I want to tell you that i don't think its fair. why does the outdoors club get more money than the chess club. and why is treasurer of student government in the outdoors club? thats not right. when i told my parents about this they were really mad too. my dad was in the same fraternity in college with prez rudyard.

peace out.
